Career and Technical Educators of Idaho

Comprised of affiliated divisions representing all fields of career and technical education!

BRIGHT SPOT

"President Bush delivered a crushing blow to career and technical education (CTE) in his $2.6 trillion budget – eliminating the Carl D. Perkins Act so that more emphasis can be placed on his much touted $1.24 billion High School Intervention Initiative. The FY 06 budget, released Feb. 7, requested no funding for Perkins, eliminated a total of 48 education programs, and slashed education funding for the first time in 10 years." ***Source:*** *Association for Career and Technical Education (ACTE), http://www.acteonline.org/members/news/frontpage_news/frontpage2905.cfm*

Please help us share what professional-technical education has done for your student and/or you with legislators in our state and in Washington. Idaho professional-Technical programs are in danger of losing valuable funding and possibly becoming discontinued. Perhaps this has already happened in your school district.

Professional-Technical Status: *(please circle)* current student graduate parent/guardian of student

Program Area(s): *(please circle all that apply)*

Ag Science & Technology	Business Technology	Health Occupations
Family & Consumer Sciences	Technology Education	Marketing Education
Industrial Trade & Technical	Individualized Occupational Training	Career Guidance
