Outreach and information about the Idaho Career Information System
The IDeal – Idaho College Savings Plan is Idaho’s 529 college savings plan. A 529 plan is a program that helps individuals and families save today for tomorrow’s higher education and has been designed to offer specific tax advantages at both state and federal levels for individuals and families saving for education costs. The IDeal Plan offers advantages including: tax-deferred growth, generous contribution limits, attractive investment options and professional investment management. Funds can be used at most accredited programs nationwide. A full program description, including important tax and legal disclosures are available at https://www.id saves.org/disclosure
